Will you participate in the showmanship competition? Yes or No

Participants need to report to the Primitive Baptist Church beside EGCS no later than 12:30pm. All chickens have to be blood tested before they will be allowed to be in the show. This will take place on Friday, October 22nd between 7:30- 9:00am at the EGCS FFA Barn. Chickens can be left overnight in the barn, but must be supplied with adequate food and water. Make sure all chickens are caged at the blood testing and at the day of the show. If chickens are not tested on Friday, they will not be allowed to participate on Saturday.
